Meet Spectator Seating Challenges - TranSport mobile bleachers & mobile grandstands offer solutions for providing outdoor event seating. All **TranSport** models are equipped for towing on public roads, allowing utilization throughout your community. All models feature powered, one-person, push-button set up for fast, easy operation.

Mobile bleachers offer increased utilization, reduced maintenance and vandalism, and increased site security. Mobile bleachers allow shared use among other organizations within a community. Easily reconfigure spectator seating on multi-purpose sports fields. Provide supplemental seating for tournaments and stadiums. Solve seating challenges in flood plain areas and temporary sites.

Easily offer spectator seating for tracks, motor sports, air shows, equestrian events and meets, parades, educational/instructional demonstrations, and more.

TranSport Mobile Seating Offers:

- **Seat Rows** – choice of 7, 8, 10, 12 or 15 seat rows
- **Row Spacing** – standard 24 inch center to center, 8 inch rise - comfortable spacing with consistent slope for code requirements
- **Footboards** - one-piece extra-width aluminum planks
- **Enclosed Risers** - aluminum enclosure panels
- **Center Aisle** - provides easier spectator access to seat rows
- **Guardrails** – steel or optional rounded aluminum with vertical balustrades, automatically fold with bleacher
- **Hydraulic Actuation** - self-contained system providing fast, effortless, one-person, push-button operation
- **Mechanical Compartment** - enclosed compartment contains hydraulic and battery systems
- **Towing Coupler** - standard pintle ring with removable tongue (optional ball and gooseneck couplers available)
- **Pivoting Leveling/Support Jacks** - multiple frame-mounted leveling support jacks permit bleacher use on soft surfaces, jacks pivot for maximum ground clearance, preventing damage during towing
- **IBC Code Requirements** - all models equipped to meet IBC code requirements. (Contact us for special pricing if not required)

TSP15 - 15 Row Mobile Grandstands

Patent US 8296999B2

High-capacity 15-row mobile bleachers provide more spectator seats for each frontage foot and increased visibility to host larger outdoor events. Relocate even more seating in a single trip. Push-button hydraulic actuation allows fast setup.

MODEL	CAPACITY	ROWS
TSP15-390	352	15
TSP15-450	412	15

TSP12E - 12 Row Elevated Mobile Grandstands

Offer increased visibility and improved spectator sightlines with elevated 12-row mobile bleachers. Elevated seating allows spectators to watch events free of interference from obstructions or walking spectators.

A front mounted aluminum walkway with stairs and hand rail is included.

MODEL	CAPACITY	ROWS
TSP12E-39	282	12
TSP12E-45	330	12

TSP10 - 10 Row Mobile Bleachers

Rugged, dependable 10 row mobile bleachers are a favorite among organizations and companies that provide event seating. Outdoor durability is achieved through the use of aluminum and galvanized steel construction. Rounded aluminum guardrails with vertical balustrades offer safety and comfort.

Standard models include extra-width footplanks, vertical enclosures, and aisleways, to comply with the most commonly adopted codes.

MODEL	CAPACITY	ROWS
TSP10CR-180	156	10
TSP10CR-260	236	10
TSP10CR-300	276	10

Add a canopy to a 10 row bleacher for increased spectator comfort and weather protection. Canopy travels with the bleacher on public roads and highways, and sets up in minutes upon reaching the event site without the need for ladders, cranes, guy wires, footers, or site construction.

TSP8 - 8 Row Mobile Bleachers

Reduced towing weight and increased maneuverability make these eight-row bleachers ideal for use on sports fields and other soft-surface applications. Multiple frame-mounted leveling-support jacks distribute seating loads over a wide area. Aluminum seat and footboards offer a high degree of weather resistance, promoting year-round use. A retractable towing tongue reduces the overall length when set up, while eliminating a tripping hazard.

Self contained electro/hydraulic actuation makes bleacher set up a fast, effortless one-person operation.

MODEL	CAPACITY	ROWS
TSP8-144	125	8

Offer additional spectator comfort of a protective weather canopy. Canopy travels on public roads and highways attached to the bleacher. Once on site, the canopy sets up in minutes without the need for ladders, cranes, or guy wires.

TSPVIP8 - VIP Mobile Grandstand

For events where spectator comfort is a priority, the TSPVIP series of mobile grandstands delivers. TSPVIP grandstands feature molded, individual seats with seat backs and spring-loaded seat bottoms that do not collect water. A unique folding mechanism allows all seat rows to remain permanently attached to the grandstand structure for fast, easy set up. Towing tongue retracts for spectator safety while also allowing end-to-end placement of multiple units.

MODEL	CAPACITY	ROWS
TSPVIP8-27	123	8
TSPVIP8-45	219	8

Spectator comfort is further enhanced by the addition of a protective weather canopy that folds and travels with the grandstand.

TSP7E - 7 Row Elevated Mobile Grandstands

Offer increased visibility and improved spectator sightlines with elevated 7-row mobile bleachers. Elevated seating allows spectators to watch events free of interference from obstructions or walking spectators.

A front mounted aluminum walkway with stairs and hand rail is included.

MODEL	CAPACITY	ROWS
TSP7E-27	110	7
TSP7E-39	166	7
TSP7E-45	194	7

MOBILE BLEACHER OPTIONS

Accessories

ADA Provision	First-row wheelchair cut-outs with companion seats allowing should-to-shoulder seating with able spectators.	90910
Elevated ADA Provision	ADA cut outs with companion seats allowing should-to-shoulder seating with able spectators and access ramp.	90967
